<i>SUMMARY OF REVISIONS:</i>	

Purpose

This directive identifies the responsibilities for implementing changes to the enterprise Video Conferencing Network that is supported by the NOAA Fisheries Office of the Chief Information Officer. Procedural directives will be issued to implement this policy as needed.

Authorities and Responsibilities

This directive establishes the following authorities and responsibilities:

- The Chief Information Officer (CIO) for Fisheries will have agency-wide oversight of the NOAA Fisheries Video Conferencing Network operations and management.
- IT Support Staff. The CIO is assisted in administering the agency's Video Conferencing network by the IT Services Manager, Regional Information Technology Coordinators (RITCs), Video Conferencing Coordinators, and Network and System Administrators.
